a) ETU Multisport Events European Championships are contracted by ETU to a Local Organising Committee (LOC), in cooperation with its member National Federation (NF);

b) ETU calls for bids during odd years for events taking place in even years. NF’s, host cities and LOC-s are encouraged to develop visionary proposals that can enhance the scope, presentation and marketing of the events. Priority will be given to existing organizers that have followed the ideal development path of hosting a National event, Series event or Regional events and delivered a high quality event;

c) ETU exclusively owns the rights to the events and contracts the organisation of the European Championships to individual LOCs, which can be made up of any combination of NF’s, Host City and/or recognized event organisers, as long as the NF is always a co-signatory to the contract;

d) LOC-s must be fully aware of the concept, format, and scope of ETU Multisport Events European Championships, as envisioned by ETU and its partners as defined in this document.

4.2. ETU Objectives
