

Dear Guests!

Welcome to Székesfehérvár, where the Sprint Triathlon European Cup is held for the first time. Triathlon is a new bright spot in sporting life in the City of Székesfehérvár.

We are very pleased that this extremely dynamic sport which is getting more and more popular and attracts great crowds of people all over the world has a sport association in Székesfehérvár. Alba Triathlon Association not only trains and calls athletes for competitions but it also proves its commitment as a competition organiser, following the traditions of the Hungarian triathlon. Therefore, this competition organized by Alba Triathlon Sport Association and the Hungarian Triathlon Federation can be held in one of the most sporty Hungarian cities.

The historic environment, facilities and the atmospheric scenes always provide ideal conditions for pentathlon, athletics and basketball competitions. Székesfehérvár citizens love sports and I am convinced that a lot of people will cheer for the best European triathletes by the Boating Lake, which has been renovated in the last few years. I wish you enjoy your stay in the historic capital of Hungary, where Hungarian kings used to be crowned and now the best women and men triathletes will be crowned here! If you have time, get to acquainted with our city and come back in the future. Székesfehérvár always welcomes you even if you would like to relax here.

I wish the competitors to do their best and have a fulfilling and satisfying European Cup for the first time in Székesfehérvár.
